Have you read
THE CALL
of the Empire?

This Booklet has been specially produced in the interests of those who cannot go to the Front. Everyone should read it.

Our Youths and Young Women are just as patriotic and just as anxious to help the Empire as their elder brothers in the trenches. "The Call" tells them how they may fit themselves to be of real service to the Nation.

"This inspiring little work of help and guidance should be in the hands of all."

We have arranged a Special Fees Reduction Offer, which is open for the next few weeks only.

In the homes where care has to be exercised in expending the shillings, "Amber Tips" Tea has proved its genuine economy. Every packet is full nett weight without its wrappings. The high quality of

**Amber
Tips Tea**

is such that much less tea is required to make a "good cup" than of inferior blends. No other tea has such delightful flavour and fragrance, none is so digestible. An "Everybody's Favourite" this all-British tea stands supreme in New Zealand.

The 2/2 blend goes farthest.

Other prices 1/10 and 2/-. 98
