Cedar Oil Mop

Makes Cleaning Easier, Quicker, and Better

EASIER—because it puts an end to the back-breaking task of dusting and polishing, and prevents you getting down on your hands and knees.

QUICKER—because you only have to go over the same space once to dust, clean, and polish. ONE OPERATION DOES IT ALL.

BETTER—because the Polish gives a high, hard, durable finish.

The Mop is heavily padded, 54 inches long, and can be easily cleaned by washing.

In Two Sizes—4/6 and 7/6—Post Free.
