

**PERFECT BAKING!**

It is what the Zealandia Oven ensures because the heat is evenly distributed and can be regulated to a nicety. Meats leave it tender and juicy, and Cakes and Scones never fail to rise, but are always light and deliciously toothsome.

There are also the further advantages of Fuel Economy and a Plentiful Hot Water Supply; and last, but not least, the comfort of an Open Fire which the Zealandia alone affords.

## Are Your Teeth Really Clean?

Although you use a dentrifice regularly, possibly you expect too much from it.

Remember, powder or paste won't remove all tartar—won't clear away decaying matter from minute recesses—won't save a tooth once the enamel is destroyed.

It will pay you to supplement daily brushing by visiting a competent Dentist every three or six months. Why not consult me NOW? My advice costs nothing.

Remember, every day's delay means greater decay.

Entrust the care of your Teeth to me straightway and you'll command a Dental Service widely known for its Skill, Carefulness and Consideration.

Superior Plates, Fillings, Crowns—also Bridgework Guaranteed for Ten Years—all at Moderate Fees.

NURSES IN ATTENDANCE.
