### Gerstena Food Talks, No. 3

The Taste that Tempts. My, just isn't it nice!

Are you one who just takes porridge because it's a breakfast habit? You don't care for it much, but you have got into the way of taking it, eh?

Now, just you get your good lady to make you some

**Gerstena**  
PORRIDGE MEAL

-cooked in 2 minutes

for to-morrow's breakfast. She won't object, because "Gerstena" only needs TWO minutes boiling instead of the TWENTY minutes' stirring over a hot fire that oatmeal needs—and then being in constant fear that it will "catch."

Just ordinary porridge, is it? No; it just isn't just ordinary porridge. Why, every spoonful will slip down your throat as smoothly as velvet—none of that harsh, chaffy grating that crude oatmeal has.

And what a flavour! All the rich, delicious heart of sun-ripened cereals is there—you'll relish every mouthful and then call for a second serve. Just you try "Gerstena" now. See if we aren't right!
