MY PRESCRIPTION DEPARTMENT

Is my pride. I have the confidence of the Physicians and the Public. This is increasing my business every month. Why? Because it is the important part of my business, and at all times receives my most careful attention. I fill so many prescriptions that my stock is always fresh and pure, besides being comprehensive and complete. My charges are always right, and based on value of ingredients and time and skill required in compounding. They are never ‘guessed at’—all are treated alike.

The Physicians Trust Me

You may safely do so. If your doctor leaves a prescription at your house, ‘phone me, and I will send for it, compound it, and have the medicine back to you in a very short time.
