Beware of Caries

Decay of the Teeth, or Caries, is the most prolific cause of abscesses, neuralgia, dyspepsia, headaches and other morbid conditions.

Only an expert Dentist can detect the beginning of trouble for Caries starts, not with the polished surface, but in the fissures and crevices of the tooth.

Its action is that of an acid on lime. It soon breaks down the bony part of the tooth and breeds millions of germs, which poison the system and cause excruciating pain.

Let me Save and Repair your Teeth.

Fees for Fillings and Crowns are strictly moderate. First-class work guaranteed.

HOW TO CURE GOITRE

A Waitati lady recently wrote to Mr. A. Doig: "I am thankful to say that after using two months' supply of your Specific, my goitre is cured." Many such rapid cures have been effected by Doig's Goitre Specific. In serious cases, however, while this remedy quickly corrects disorders, it usually requires a few months to bring the neck to its natural graceful shape and master the complaint. Over 3000 patients successfully treated. One month's supply costs 10/6, posted any address.

VAN HOUTEN'S COCOA

Fact versus Fiction.

The fiction is that another cocoa is "as good as Van Houten's"
The fact is there is not another cocoa to equal Van Houten's
In every market in the world it is the standard by which all other cocoas are judged.
