The AEOLIAN VOCALION

This is an artistic musical instrument which produces from Gramophone disc records such pure tones, so faithful to the original, that it gives genuine pleasure to all. A novel feature is the GRADUOLA device which allows you to control the tone and expression of every selection. In fact, *you play* the piece according to your fancy. The new Sound Box and Symphonetic Horn are vast improvements upon anything previously invented in the Talking Instrument World.
