## DOMINICAN COLLEGE

TESCHEMAKERS

(Near Oamaru)

**I**DEALLY located in a beautiful park, surrounded by its hundred acres, St. Patrick's possesses all the essentials for a successful Boarding School. The climate is excellent, exempt alike from the severe cold of a southern winter and the enervating heat of a northern summer. Nervous and fragile girls develop rapidly in the bracing out-door life which obtains at St. Patrick's.

Remoteness from the many distractions of city life affords an incentive to regular and uninterrupted study.

For details of the course of studies, examination results, etc., see the college prospectus, which can be had on application to the Mother Superior. Places are already booked for the new term. Intending pupils should apply without delay.
