"Hard Biscuits and Bully Beef!"

A SOLDIER'S DIET calls for considerable powers of mastication. That is why the Authorities are so particular about the condition of the Fighting Man's Teeth.

But even for the three-meals-a-day Civilian perfect mastication is essential.

With faulty teeth, one's food is not thoroughly broken down. The result is Indigestion or Gastritis—with possibly worse ills to follow.

Let me give you *Sound Teeth!* No matter how sensitive, broken or decayed your teeth may be, I guarantee to repair them successfully, or replace them with others that will last you many years.

My Superior Dental Service is noted for its modern appliances and skilful methods, and for the care taken to ensure the patient's comfort and safety.
