**Don't Look Older Than You Should!**

Every tooth lost adds years to one's looks. Shrunken gums rob the face of its firm, youthful lines.

Have the gaps filled with new, pearly teeth.

Your sound ones need not be extracted. Plates are unnecessary. My expert Bridgework will meet your requirements.

Beautiful Teeth will be carefully fitted—Teeth that will look as well and prove as comfortable as your natural ones. And they will serve you long, for

*My Bridgework is Guaranteed for Ten Years.*

Consult me to-day. No charge for examination and advice. Superior Plates, Fillings, Crowns and Painless Extractions—all at Moderate Fees.

HAINES

**Be Sure Your Glasses are Exactly Right.**

Eyes are the most precious of our members—also the most delicate. The sanest resolution you can make is to give the utmost care to the Eyes.

When Glasses are required, trust only Experienced and Reliable Opticians with the important duty of testing your sight and prescribing the lenses most eminently suited to your requirements.

Our Long Experience and En- vialle Reputation assures Exact Service. And remember—we treat optical work as a specialty and not as a side line.

Call on us when next in Wellington. All work promptly executed. Eyes tested free.

**Unique SOLID BASE BOILER**

**It's a real pleasure these summer days to do the washing out-of-doors, instead of in a close stuffy wash-house!**

The portable "UNIQUE" Boiler is easily lifted out and placed in any convenient place, in back yard or paddock. It is self-contained and heats rapidly, enabling the housewife to get her clothes out in the cool early morning.

The "UNIQUE" is the only Boiler with solid base—avoid imitations.

**GIVES GREAT SATISFACTION!**

MANUFACTURERS, DUNEDIN

**PERFECT BAKING!**

It is what the Zealandia Oven ensures because the heat is evenly distributed and can be regulated to a nicety. Meats leave it tender and juicy, and Cakes and Scones never fail to rise, but are always light and deliciously toothsome.

There are also the further advantages of Fuel Economy and a Plentiful Hot Water Supply; and last, but not least, the comfort of an Open Fire which the Zealandia alone affords.

**THE BIG COAL SAVER!**
