LONG SIGHT IS DEFECTIVE SIGHT

Exceptionally clear sight for long distances is a sign of defective vision.

It means weakening of normal vision—and that's dangerous.

There's only one remedy—correctly adjusted glasses.

Then let us Test your Eyes and Advise you Free.

Scientific Apparatus. Modern Methods. No Guess Work.

"From Our Boy!"

Does your boy write home on Red Triangle Paper?

The Y.M.C.A. supplies over 180 million sheets of note paper per year free of cost, and always urges the boys to "write home first."

Building, Wellington.

Unique

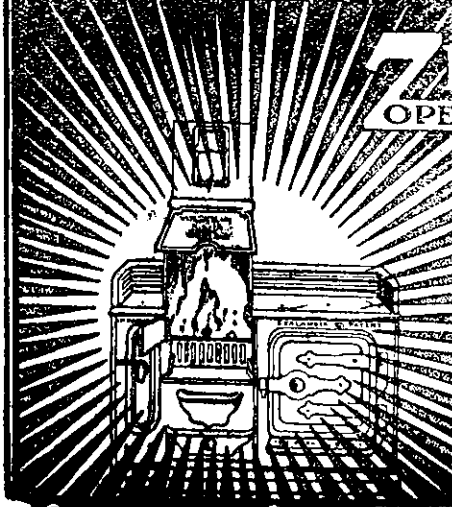

SOLID BASE BOILERS.

IT MAKES THE WASHING EASY WORK

When you have a Unique Boiler you don't need to spend hours over the washing. The fire is quickly lighted, the heat soon sets the water boiling, the clothes are at boiling point in no time and ready for the tubs. Easy washing, then hanging out and the work finished without any weary waiting. The UNIQUE saves time, gives leisure for shopping early in the day, and saves money and fuel. There's only one 'UNIQUE,' so avoid wobbly-legged imitations!

Will Burn Any Kind of Fuel!

NEWBERRY, WALKER, Ltd.
Manufacturers, Dunedin.

ZEALANDIA

OPEN FIRE RANGE

Open up a Zealandia Range and you get a big glorious fire radiating

Comfort & Cheerfulness
