••••• The AEOLIAN VOCALION •••••

This is an artistic musical instrument which produces from Gramophone disc records such pure tones, so faithful to the original, that it gives genuine pleasure to all. A novel feature is the GRADUOLA device which allows you to control the tone and expression of every selection. In fact, *you play* the piece according to your fancy. The new Sound Box and Symphonetic Horn are vast improvements upon anything previously invented in the Talking Instrument World.
