LONG SIGHT IS DEFECTIVE SIGHT

Exceptionally clear sight for long distances is a sign of defective vision.

It means weakening of normal vision—and that's dangerous.

There's only one remedy—correctly adjusted glasses.

"I say! These are quite alright! They're beautifully clean, and yet how quickly you get them through." Just in about half the time my old fashioned copper takes!"

Unique

SOLID BASE BOILERS

A UNIQUE BOILER is one of the most important modern aids to housekeeping. It will boil the clothes quickly and thoroughly, and burn any kind of fuel. The Copper can be easily lifted up to wipe out and the chimney brushed without trouble. Perfect cleanliness ensured! With its solid base, the UNIQUE, though portable, stands firm as a rock. A real money saver!
