Is this Your Case

?

It is the man or woman who has only slight eye trouble who is most apt to neglect it. Yet these are just the cases that are most easily relieved.

**DO NOT WAIT UNTIL YOU
HAVE SERIOUS SYMPTOMS**

But let us examine your eyes now, and make you a pair of glasses that will relieve your eyes and be secure, comfortable, and becoming.

TO MY PEOPLE

(Lead, Kindly Light)

Doubtless you are aware England is now in the throes of her free trade policy—i.e., the open door. Prior to the war she was the receptacle for our enemies' goods and undesirables, thus allowing the latter to creep into every crevice of the Empire, to England's peril.

To remove past anomalies "Champion" suggests reasonable protection and a closed door to our enemies, which would enable England to be a much larger manufacturer, with better working conditions and wages for her workers, who have so nobly responded to the Empire's call.

Gas and Coal are far too dear to waste boiling the morning meal for over half an hour. GERSTENA is best when only cooked TWO MINUTES, and you will not be worried with long stirring and risk of burning.

Send a Post Card to the Gerstena Foods Co. (A. J. Wintle, Sole Proprietor),
