

Wool! SEASON 1918-1919 Wool!

To the Wool Growers of Otago

The Wool Clip of the Dominion having been commandeered by the Imperial Government, arrangements have now been made for the valuation of all growers' clips, ex stores, Dunedin.

Wool will be received by us, weighed, stacked, catalogued, shown, and valued free of charge to vendors.

Bags of mixed bales, fleece, etc., will be classed into bins, as usual, and for this work a small charge will be made.

Growers' interests will be well conserved in every respect, and returns will be rendered (nett cash) fourteen days after valuation is made and immediately on payment being made by the Government.

We are now receiving Wool, and an early valuation will be made of all consignments coming forward.

We would advise clients to send forward their Wool as soon as shearing is completed, and to post full particulars of same at once.

Brand Wool as usual, and consign to Donald Reid & Co., Ltd., Private Siding, where it will receive every attention.
