BEAUTIFUL EASTER GIFT.

Luminous (Shine at Night) Crucifix

This Crucifix is a beautiful and marvelous work of art. The corpus, or figure of our Lord, is made of unbreakable material, richly finished in imitation of marble. The cross on which the corpus is mounted is made of fine wood, ebony color, and is 15 inches high by 8 inches wide.

The figure absorbs the rays of light during the day, and these rays shine forth during the night, producing a brilliant light, blue at first, and gradually changing to a bright, ivory-like light, showing the Christ figure in almost startling relief

continuously throughout the night. The darker the room the better result. The luminous effect is everlasting.

Efficiency Enemies —Defective Teeth

Who ever heard of anyone working to the full extent of their efficiency whilst in ill-health?

And nothing is surer than that faulty teeth are responsible for serious ill-health.

It's only logical, anyhow.

Consider the myriads of germs that lurk in the recesses of a decayed tooth.

These corrupt the food, and, spreading throughout the system, undermine the health and disorganise the constitution.

Correct mastication is impossible, which means indigestion and its attendant ills, small and serious.

Avoid these “tooth tragedies” and increase your efficiency by having that decayed tooth of yours stopped, or those missing ones replaced.
