GERMAN MISSIONS.

The Bishop of Fulda, the Right Rev. Dr. Schmitt, and the Very Rev. Father Theophilus Witzel, chairman of the Conference of the Superiors of German Orders and Congregations, have issued an appeal to the Catholics of the world, in which they protest against the exclusion of German missionaries from the largest and most important missionary lands. They deny that the German missionaries are political propagandists, and as an indication of the view of German Catholics on this matter they cite the speech of Father Lemmens at Cologne in September, 1916, in which he declared, amid applause, that in the event of a German victory the French and Italian missionaries should be allowed to return to their missions in Turkey after the conclusion of peace. The question of the German missions has received the earnest attention of Pope Benedict XV.

Every boy and girl who uses the "GOLDEN RULE" School Ruler regularly is contributing splendidly towards the world's betterment.

***** The **AEOLIAN VOCALION** *****

This is an artistic musical instrument which produces from Gramophone disc records such pure tone, so faithful to the original, that it gives genuine pleasure to all. A novel feature is the GRADUOLA device, which allows you to control the tone and expression of every selection. In fact, you play the piece according to your fancy. The new Sound Box and Symphonetic Horn are vast improvements upon anything previously invented in the Talking Instrument World.
