Is this Your Case

?

It is the man or woman who has only slight eye trouble who is most apt to neglect it. Yet these are just the cases that are most easily relieved.

DO NOT WAIT UNTIL YOU

HAVE SERIOUS SYMPTOMS

But let us examine your eyes now, and make you a pair of glasses that will relieve your eyes and be secure, comfortable, and becoming.

TO MY PEOPLE

(Lead, Kindly Light)

Doubtless you are aware England is now in the throes of her free trade policy—i.e., the open door. Prior to the war she was the receptacle for our enemies' goods and undesirables, thus allowing the latter to creep into every crevice of the Empire, to England's peril.

To remove past anomalies "Champion" suggests reasonable protection and a closed door to our enemies, which would enable England to be a much larger manufacturer, with better working conditions and wages for her workers, who have so nobly responded to the Empire's call.
