

**SUTTON'S SEEDS**

Season - 1919-20

**MANGELS                      TURNIPS                      RAPE**

PUT UP IN 2LB. SEALED PACKAGES.

We take pleasure in announcing that full supplies of the above well-known seeds are once more to hand, and as usual have arrived in First-Class Condition, due to the splendid system of Packing inaugurated by Messrs. Sutton & Sons.

NOW IS THE TIME TO PLANT MANGELS AND SWEDES.

Don't be led astray by the other man who says his seeds are *just as good* and cheaper than Sutton's. REMEMBER that at the outside it only costs 6d an acre more to sow the best seed, and the Best means SUTTON'S.

SEND your order right away; don't hesitate. LAST SEASON owing to high prices a lot of inferior seeds were sown, and in consequence there was a serious shortage of winter feed.

PRICES NOW WITHIN THE REACH OF ALL.
