From the North Cape to the Bluff 'Club' Coffee has proved its superiority over all others to such an extent that probably more of it is sold than all other brands put together. That is why the get-up of it has been so closely copied by other manufacturers.

Is such a surprisingly good Coffee that those who once try it will never afterwards have any other brand. A perfect system of manufacture, combined with our superior facilities for importing the best quality beans, is largely responsible for the exquisite flavour of "Club" Coffee. But try it! You'll be astonished that you could have put up with other kinds. It's so different!
