EPILEPSY AND FITS.

WHAT INDEPENDENT WITNESSES SAY.

From Mr. A. Bolton, 69 North parade, Otley, Yorkshire. May 21, 1908.

'In reply to yours of to-day, the reason why I discontinued your Remedy was because it had cured me of Epilepsy, and I did not want any more.

'To show you the wonderful medicine your Remedy is, I will, in as few words as possible, give you the history of my starting with Epilepsy to its cure. Now, about twelve years ago I fell down in the street in a fit. The doctors said that I must have had sunstroke, which made it come on. It would be six months later before I had another; then they began to come faster and faster, until about four years ago, for five weeks in succession, I had a fit each week, and during the whole time I was under one doctor or another, and I also went as an out-patient to an Epileptic Hospital in London.

'My attention was drawn to an advertisement of your Remedy, and I sent for six bottles. Two days after I had taken my first teaspoonful of the Remedy I had a slight attack, but from that day to this I have never had any sign of a fit except once, and it was after two or three days of mental strain, and the attack was of only two or three minutes' duration.

'My wife joins with me in thanking you for such a wonderful cure as Trench's Remedy.

'I shall be pleased to answer any inquiries in regard to the efficacy of Trench's Remedy for Epilepsy.'
