WHAT INDEPENDENT WITNESSES SAY.

To whom this may concern:

Our little boy, who had been ill and fast failing for  
more than two years, has been taking the Trench's Remedy  
for about a year, and is gaining so rapidly now that we  
have every hope of a complete recovery.We tried many physicians, and among them some of  
the best known specialists of this city, when we were  
advised to use Trench's Remedy. As a trial proved help-  
ful, we continued its use, with gratifying results, and do  
not hesitate to recommend it to anyone suffering from  
convulsions.

From Mr. Richard Towl, Fair View, Youldon, Holsworthy,  
N. Devon.

January 6, 1908.

I beg to inform you with great gratitude that, having  
submitted my child, William Richard Towl, to a course of  
your Remedy for a period of three years, which expired  
over twelve months since, and as I believe him to be quite  
cured of Epileptic Fits, from which he has suffered from  
his birth, I therefore have had no occasion to apply for any  
medicine since August, 1906. I may say, however, that  
I keep a bottle under hand in case of a relapse.My wife and myself are so thankful for the remarkable  
effect of your valuable Remedy that we think it cannot be  
too extensively known.You can make whatever use you think proper of this  
letter, especially as it is entirely unsolicited by you.
