WHAT INDEPENDENT WITNESSES SAY.

April 6, 1908.

To whom this may concern:

Our little boy, who had been ill and fast failing for
more than two years, has been taking the Trench's Remedy
for about a year, and is gaining so rapidly now that we
have every hope of a complete recovery.We tried many physicians, and among them some of
the best known specialists of this city, when we were
advised to use Trench's Remedy. As a trial proved help-
ful, we continued its use, with gratifying results, and do
not hesitate to recommend it to anyone suffering from
convulsions.

E. H. CALHOUN.

From Mr. Richard Towl, Fair View, Youlton, Holsworthy,
N. Devon.

January 6, 1908.

I beg to inform you with great gratitude that, having
submitted my child, William Richard Towl, to a course of
your Remedy for a period of three years, which expired
over twelve months since, and as I believe him to be quite
cured of Epileptic Fits, from which he has suffered from
his birth, I therefore have had no occasion to apply for any
medicine since August, 1906. I may say, however, that
I keep a bottle under hand in case of a relapse.My wife and myself are so thankful for the remarkable
effect of your valuable Remedy that we think it cannot be
too extensively known.You can make whatever use you think proper of this
letter, especially as it is entirely unsolicited by you.
