

THE BISHOP OF AUCKLAND

AN ENTHUSIASTIC RECEPTION

PRESENTATION OF ADDRESSES

RIGHT REV. DR. CLEARY, BISHOP OF AUCKLAND.

(From our own correspondent.)

Ever since the welcome news of the appointment of the Right Rev. Dr. Cleary to the See of Auckland and his subsequent consecration in historic Wexford in August of last year, the priests and people of his diocese have been eagerly looking forward to the day upon which they would have the opportunity of meeting and greeting him. On the afternoon of last Wednesday, January 11, their long cherished wishes were gratified, and in the most enthusiastic and unmistakable manner was their rejoicing and

their warm-hearted welcome manifested. Both the afternoon and the formal reception and religious ceremonial in the evening were together a magnificent demonstration of Faith and of affection for Auckland's new chief pastor. It was in the words of Dr. Cleary himself 'one of those inspiring things that one was glad to see even once in a lifetime.'

His Lordship was accompanied from Wellington by his Grace Archbishop Redwood, the Right Rev. Mgr. Mackay,

'A guid New Year! An' may ye hae plenty o' Hondai Lanka Tea tae slocken yer thirst.'

A most acceptable Christmas Box is a Box of Hondai Lanka Tea. It gives genuine pleasure and delight.
