THROUGH ITS FLAVOR!

Rew's Bacon!

It's delicious!

Not too fat—not too
lean—JUST right!

Fried to a crispy brown—
served steaming hot—a rasher
or two will make a lovely break-
fast! It will start the day right
for you!

There's only one fault with it
—it develops the 'hungry
habit'! You want more!

1/- per lb, in rashers—at REWS.

If You Want the Utmost Value for Your Wool, Consign it to Us.

No matter whether your consignment be large or small, you may depend on its bringing its full value if it is placed in our hands.

We have all the facilities at our command for the disposal of wool at favorable prices—a central store, good display accommodation, and an expert valuer, whose estimate as to the value of a clip can be thoroughly relied on.

Add to this our lengthy experience, our wide connection, our reputation for guarding the interests of our clients in every way, and you will understand why we ask you with so much confidence to consign to us.

We desire to emphasise that we act strictly as brokers selling on commission only, and are therefore quite unrestricted in our endeavour to sell to best advantage. Advice and information gladly given.
