CURED AT ROTORUA.

A speculator who was recently in the North Island inspecting a large tract of land, tells how he was permanently cured of a chest trouble at Rotorua. 'I was riding over rough North Island lands for several weeks,' he said, 'and it is indeed fatiguing work. I was in the saddle from sunrise to sunset—continually mounting and dismounting to inspect the soil, dragging an unwilling pack-horse behind me, slushing through swamplands and sleeping in the open. I made a thorough investigation of the land, but it was work that taxed my physical strength and endurance to the utmost. Sleeping one night on pretty damp laud, I picked up a severe cold, and every night after that I was kept awake with incessant coughing. By the time I got in to Rotorua I was pretty bad—my chest seemed inflamed, my throat tickled, and my coughing hurt me. It was impossible for me to proceed further. I felt ill all day, and coughed all night, till one night I thought of Baxter's Lung Preserver. Next morning I got a bottle—and just one, for it cured me. I was surprised at its quick action. I was instantly relieved, and from that on I was not troubled in the slightest with a cough. I have reckoned that the 1/10 I spend on Baxter's saved me pounds, for I should certainly have been a case for the doctor in a little while.' Baxter's Lung Preserver is sold at all chemists and stores—you try it for your cold. 1/10 the large-sized bottle.
