You can Brand your Sheep Better, Quicker, and Cheaper with a Methven Stock Brand.

Approved by the Hon. T. Mackenzie, and used on all State farms.

It is far in advance of the old-tin-can-and-two-or-three-hot-irons method. It burns a neat, distinct mark on the skin which it is impossible to fake or to obliterate. The METHVEN Brand is kept hot all the time by means of a blow-lamp which is attached to the apparatus. No time is wasted running about for fresh irons. You simply keep branding sheep after sheep without a break. Eight sheep a minute is considered easy going. Moreover, no wool is wasted through tarring or painting, or valuable skins damaged. It's the most satisfactory method in every way for branding anything—sheep, cattle, horses, tools, farm implements, etc. Sold by all stock and station agents. If you can't get it, write to us.

G. Methven and Co., Ltd., Mfrs., Dunedin.
