#### TO GET MORE EGGS

Give your hens a little Mustard in their morning meal. Mix a teaspoonful of COLMAN'S MUSTARD with the dry meal before adding the water. It keeps the hens in fine condition, and they lay more eggs.

MY WASHING IS NICE, ISN'T IT?

That's because I use a really good blue . . .

#### KEEN'S OXFORD BLUE.

You don't catch me washing my clothes with cheap, nasty, unreliable blues, when so good an article as Keen's is to be had. I can always rely on it.

"All who would achieve success should endeavor to merit it."

WE have during the past year spared no expense in endeavouring to make our Beer second to none in New Zealand, and can now confidently assert we have succeeded in doing so.

#### WORMS IMPERIL GROWTH.

Few small children escape having worms, and these parasites should be removed at once. They lower vitality, induce disease, and retard growth.

#### ROWBOTTOM'S SNOW WHITE VERMIFUGE

is a simple, harmless, but always effective remedy. It can be given with entire safety, even though worms are not present, and should be tested whenever any symptoms of worms appear. If worms are present, they will invariably be removed at once. *It acts when all else fails.*
