

**THE LONGER YOU RIDE IT, THE BETTER YOU LIKE THE
... NEW HUDSON MOTOR CYCLE ...**

It's so dependable, so powerful, so easy-running, so economical. You cannot think of a modern improvement in motor cycles that the New Hudson has not got; while it has many advantages that other machines don't possess. Its three-speed gear enables it to climb hills without straining, and to get over flat country at highest speed. Its free engine clutch enables you to mount and set off from a standing position. The construction throughout is sound in every way. If you want an up-to-date motor cycle, get acquainted with the New Hudson. It's the speediest, the most reliable, and the most comfortable of all machines.

2½ h.p. 3-speed gear, free engine, £70.

3½ h.p. 3-speed gear, free engine, £80.
