Henry S Fitter & Sons
OF SMITHFIELD MARKET,
LONDON,

invite Consignments of Frozen Mutton and Lamb for realisation in all parts of the United Kingdom.

Having been established in the Central Meat Market for over Half a Century, and having been connected with the Frozen Meat Trade since its very commencement, they are in the best position to deal with consignments.

They have no Retail Shops of their own, no interest in any, and do not buy on their own account, so all their energies are directed to obtaining the highest possible price for their Clients' Shipments.

Consignments can be sent to them through any Freezing Company, or through any of the Banks, and by doing this shippers will get all that is to be obtained for the Wool, Meat, Pelts, and Fat.
