

ST. PHILOMANA'S COLLEGE, SOUTH DUNEDIN.

The scholastic year at St. Philomena's College, South Dunedin, was brought to a close on Thursday morning. In the absence of the Right Rev. Dr. Verdon, the Rev. Father Delany presided at the distribution, and the Rev. Father O'Neill was also present. During the course of the proceedings several choice musical items, vocal and instrumental, were contributed by the young ladies.

The annual report stated that eminently satisfactory results had been obtained during the year, both in religious and secular branches of study. The students responded to the generous interest taken in them by the Sisters, and by their conduct and scholastic attainments satisfied the expectations of both teachers and parents.

The Rev. Father Delany said that after a year of earnest work the students might look forward to a period of comparative leisure. He congratulated the students on their success, gave some practical advice as to how they should act during the holidays, and wished all a happy Christmas.

The following is the honors list:—

Senior School.

Matriculation Class.—Christian doctrine (gold medal), Mary McCormack. Higher mathematics, Josephine Nolan. Human physiology, Winnie Kavney; next in merit, M. McCormack.
