Skins and Hides Realise Higher Prices; Time and Labour are saved by branding your
 Stock with

The "Methven" Stock Brand.

Thousands of pounds are annually lost in New Zealand through branding stock the wrong way and injuring the skins. By using the METHVEN STOCK BRAND all possibility of injury is avoided. It burns a distinct mark on the face, leaving the valuable parts intact. In addition, the operation is far simpler than the hot-iron or tarring and painting method. A blow lamp attached to the apparatus keeps the brand hot all the time. This avoids stoppage for fresh irons. The saving effected

pays the cost of the brand over and over again. Write for full particulars.
