The Best SANCTUARY OIL I Ever Used

There's nothing more irritating than a sanctuary lamp going out every few hours. Glad to announce that I have secured a supply of a new line which besides being uninflammable does not congeal in the coldest weather. Perfect in every respect. It is guaranteed to burn twenty-four hours, but as a matter of fact it keeps alight with a common wick for about seventy-two hours! A boon to churches, chapels and oratories. Supply limited! Order carly, 13/6 per gal.
