PHILOSOPHERS

may talk of the moral value of work—work for work's sake—and there's something to be said for that side of it. But the big factor in work for most people is the remuneration—the pay envelope that comes along every week or every month, and which governs the standard of living. Now the value of

Your Salary Cheque Depends on

the amount of specialised knowledge you have acquired. In these days by specialisation, the young men can earn a salary which in the past could be obtained only after many years of experience.

Study at home in your leisure hours. You can earn a big salary while still on the right side of thirty by

Girls! Have you a "buster" cut, or are you "shingled"?

Whichever it is, we have something to interest you, and that is a

HAIR TRIMMER

made on the same principle as a barber's clipper.

This machine is easily worked, cuts very close, and so enables you to have your hair trimmed at home—a great saving.

Price 10/6, posted 6d extra.
