

**FOR AMATEUR SPORT**

*The fact that this Art Union has been organised to raise funds for the purpose of providing playing areas for Rugby Union Football and other Amateur Athletic Sport in Southland, illuminates the interest and push of the promoters in Amateur Sport. All who wish to tempt luck and assist a worthy object should have tickets.*

**Minister  
of  
Internal Affairs  
says  
"No more  
Big  
Art Unions"**

**NO MORE!**

*The Minister of Internal Affairs has decided that in future no more permits will be issued for Alluvial Gold Art Union prizes above the value of £500.*

*No more big windfalls in Alluvial Gold Art Unions (see above). The £2,000 is the Dominion All Gold first prize and will no doubt be the last offered to the public for many years to come. For a matter of 2/- you make a bid for this prize. By "putting on" £1 you get eleven tickets. The "dividends" will be the biggest ever paid! Don't let the day go by without having your tickets. Tear the coupon out. Don't put the matter off; the Art Union will be closed in a few days. Then it will be too late.*

# **DOMINION ALL GOLD ART UNION**
