We Specialise in

BUILDING MATERIALS and BUILDING CONSTRUCTION.

We don't handle any other class of goods. Just building materials only: buying them for cash in large quantities first hand. That means that we can quote lowest prices. If you need a home—a farm building—a shed—or anything in the building line—get our estimate first. We've handled big contracts, but any size building has as much care. Estimates and plans prepared to suit any requirements.
