Owing to the uncertainty of future supplies of paper, it is necessary that stringent steps be taken to conserve every sheet, consequently we are compelled to notify all booked subscribers that their copies must cease unless accounts are paid up and they become advance subscribers immediately.

The increase in the cost of paper also makes it imperative that all subscriptions be paid in advance, thus enabling the paper to be published at the present subscription.

We do not wish to offend old subscribers, but it will be seen by the above that only by advance subscriptions can we be sure that subscribers really want the paper to be sent. In some cases we find booked subscribers repudiating the ordering of the paper after it has been going to them for some time. The above course obviates this and gives us exactly the circulation we have to provide for.

Thanking you for past favors.

By order of the Board,

THE MANAGER.

**THE A.S. CAMPAIGN**

RECENTLY Dublin was the scene of a spirited protest against the introduction of West-British filth among the Irish people. What the stalwart editor of the *Leader* calls an "Anti-Smut Campaign" was, mainly as a result of Mr. Moran's own caustic writing, organised enthusiastically. The *Leader* has consistently denounced the introduction of English Sunday papers, reeking with the filthy details of English Divorce Courts, and of English theatrical companies posturing lewdly and staging suggestive and indecent dramas and singing bawdy songs on Irish stages. Very little assistance did Mr. Moran ever get from the advertisement-hunting dailies of Dublin, but he kept on his lonely way unabashed and unashamed, until he succeeded in arousing the attention of decent-minded people, who have now proclaimed in a public meeting
