## Attention!

If you are a FARMER, your attention is respectfully directed to the

## Colonial Drill!

The COLONIAL has all the good features common to average drills, but has several exclusive advantages, putting it a long way ahead of its nearest rival. The ORIGINAL BRISTOW TURNIP AND RAPE FEED alone is a sufficient advantage to CONSTITUTE THE COLONIAL A SUPER-DRILL! It will also sow LONG OATS, BEARDED BARLEY, VETCHES, PEAS, BEANS, etc.,

with the same precision that it sows the usual cereals, and it will distribute all classes of commercial fertilisers in any practical quantity, accurately and with a minimum of stoppages—owing to the vertical discharge system! That it is the best Drill on the market has been OFFICIALLY PROVEN AND DECLARED by a practical and unbiased tribunal set up by the CANTERBURY A. & P. ASSOCIATION, who awarded it the ONLY GOLD MEDAL EVER OFFERED FOR A DRILL FIELD TRIAL, which TRIAL was won with a big margin to spare, against all-comers—and they all came! Send for Illustrated Catalogue, which gives all particulars. Please mention *Tablet*. SUPPLIED ON HIRE CONTRACT IF DESIRED!
