Tooth Camouflage

YOUR SMILE may reveal
a row of gleaming teeth,
but are the hidden teeth
as good as those in front?
Does the pearly smile "camou-
flage" unseen decay?

Tooth appearance means
much, certainly, but not every-
thing. Mere apparent teeth-
soundness will not prevent ill
health or diminishing effici-
ency.

And soon — very soon —
the sound teeth must become
corrupted by the defective
ones.

Don't tolerate that "tooth
camouflage." If you have one
tooth needing attention come
in now, for your own sake. I
sincerely urge you to do this.

It will cost you nothing to
ascertain the true state of
your teeth — whether they
need attention or not — and
the best way of remedying or
removing the defect.

Consultation and Advice Free.
Fees very reasonable.

We want you to see the beauty
and originality of our de-
signs, to note the magnificent
selection we give, and the ex-
tremely reasonable prices at
which we sell. By choosing
the headstone or monument
you need from us, you are
sure of securing one that is
tasteful, and yet meets with
your wishes in respect of price.

We thank our many friends for
their generous support during
the past 10 years, and inti-
