Tooth Camouflage

YOUR SMILE may reveal a row of gleaming teeth, but are the hidden teeth as good as those in front? Does the pearly smile "camouflage" unseen decay?

Tooth appearance means much, certainly, but not everything. Mere apparent teeth-soundness will not prevent ill health or diminishing efficiency.

And soon — very soon — the sound teeth must become corrupted by the defective ones.

Don't tolerate that "tooth camouflage." If you have one tooth needing attention come in now, for your own sake. I sincerely urge you to do this.

It will cost you nothing to ascertain the true state of your teeth — whether they need attention or not — and the best way of remedying or removing the defect.

Consultation and Advice Free.

Fees very reasonable.
