**UNIQUE**  
SOLID BASE  
PORTABLE BOILERS.  
For Seaside Cribbs  
and Country Homes!

It's a real pleasure on a bright summer morning to do the weekly washing out-of-doors. Quite easy, too, when you have a Unique Boiler. You can place it anywhere; The Solid Base makes it firm and steady. An armful of any kind of fuel gives a quick fire, and in a few minutes the copper is boiling. No time lost! No dirty smuts! No worry! Housewives who use the Unique Boiler say that it is "Simply splendid, and saves such a lot of time."

**PERFECT BAKING!**

Is what the Zealandia Oven ensures because the heat is evenly distributed and can be regulated to a nicety. Meats leave it tender and juicy, and Cakes and Scones never fail to rise, but are always light and deliciously toothsome.

There are also the further advantages of Fuel Economy and a Plentiful Hot Water Supply; and last, but not least, the comfort of an Open Fire which the Zealandia alone affords.
