WE SPECIALISE IN

## Building Materials and Building Construction

We don't handle any other class of goods. Just building materials only, buying them for cash in large quantities first hand. That means that we can quote lowest prices. If you need a home—a farm building—a shed—or anything in the building line—get our estimate first. We've handled big contracts, but any size building has as much care.

Estimates and Plans prepared to suit any requirement.

To Secure a Cozy Open Fire!

Just pull the loop and the fire opens, converting the Range into an open fire, and making the Kitchen the cheeriest room in the house. It is the closing but crowning blessing the Zealandia affords, after it has done its duty better than any other Range and with very much less fuel. See one at your Ironmonger's, or write the Manufacturers—
