Rev. Father Westropp's Indian Missions

Rev. Father Westropp, writing from India by last mail, gratefully acknowledges receipt of £100; also 20 bags of stamps: each containing 11lbs weight. This is the result of 12 months collecting in New Zealand. Father Westropp desires to thank most sincerely all his kind friends and benefactors who have contributed money or forwarded stamps, etc., for the missions. Your continued support either in cash donations or used postage stamps, etc., is earnestly solicited as the missions are situated in a very poor district and have lately extended their territory to 30 more villages in which they intend opening up schools, homes, etc., as funds permit. Father Westropp asks his friends in New Zealand to pray for his success in this venture. Kindly send all donations, used postage stamps, etc., to—BERT. GALLIEN, N.E. Valley, Dunedin.
