Mr. T. Dowling,
Hyde.

Dear Sir,—I have used your turnip seed for the last seven years, and during that time I have not had a single failure. Last year I sowed 25 acres with your seed, and although I sowed other and more expensive varieties, I have no hesitation in stating that the crop grown from your seed was undoubtedly the best, in fact I never had a better crop. I can with confidence recommend your seed to any turnip grower. Please send me 60lb for this season.

Yours faithfully,

WM. ROBERTSON.....
