No. 2.

MONDAY, JANUARY 18, 1864.

1. **POLICE GAZETTE.**—Communications for this GAZETTE should be addressed to the "COMMISSIONER OF POLICE, Dunedin," prepaid; they must be of Police interest, or no notice will be taken of them. Officers in charge of stations are requested to report to the Commissioner of Police every instance of the non-delivery of the GAZETTE, and to suggest from time to time such alterations in the addresses and in the mode of transmission as may be considered necessary.

2.—**WARRANTS.**—Whenever it is desired that any individual whose name is given, shall be apprehended, it should be stated in the advertisement for the GAZETTE whether or not a warrant has been issued for the apprehension of the offender. When a warrant has not been issued in the first instance, any subsequent report announcing the issue of a warrant should repeat the offender's description.

3. **NAMES.**—It is particularly requested that in all Informations the names of persons and places may be spelt correctly, and written legibly, the Christian name being given with the surname whenever possible, and written in full to prevent mistakes.

4. **STRAY CATTLE.**—No advertisements of lost horses or cattle will be published in this GAZETTE unless they be Government property, but notices of horses and cattle believed to be stolen will be inserted gratuitously.

5. **PROPERTY DESCRIBED.**—In forwarding the brands of stolen horses and cattle, it should be stated of what kind of letters the brand consists, whether of Roman capitals, or in writing, &c., and the exact position of the brands should be given, and be imitated as nearly as possible. In giving descriptions of watches, it should be stated whether they are open-faced, hunting, double-cased, or half hunting,—the term "double-cased" being reserved for those watches whose outer case is removed in order to wind; "half-hunting" implying a very small glass in the metal cover of the dial.

7. **PREVIOUS POLICE GAZETTE REFERENCES.**—It is requested that on the arrest of any offender Gazetted, or on information being obtained for which a reward has been publicly offered, or respecting notices published in this GAZETTE, officers in charge of Police, or others concerned, will be good enough to forward information thereof to this office, quoting the date and page of the GAZETTE in which such notice has appeared.

Offices of the Police Department,
Dunedin, 4th January, 1864.

Officers in charge of Districts and Escorts are reminded that the present "Financial" year terminate on the 31st March next, and that it behoves them to use the utmost caution in incurring (consistently with the efficiency of the Department) any expenditure, in order not to exceed the sums voted by the Provincial Council "for the contingent expenses" of the force.

Care must also be taken that there be no outstanding accounts whatsoever, after the 31st March, as none will be recognized after that date, unless it can be most satisfactorily proved that the delay for submitting them for payment was unavoidable.
