

Recent Records of the Rapid Riley.

July 13th—Sudbourne Park Speed Trials. The 12 h.p. Riley made Fastest Time in both events entered for, viz., Flying Mile and Flying Kilometre.
July 27th—Herts County Hill Climb. 12 h.p. Riley, Second Fastest Time in the 25 h.p. Class, only 5.4-5 seconds slower than a Tourist Trophy Car of nearly double the cylinder capacity.
September 7th—Herts County A.C. Hill Climb. The 12 h.p. Riley, in addition to being First in the 20 h.p. Class, made the best handicap performance in all classes, making the third fastest time of the day, and beating cars of far higher power, including a Tourist Trophy Car of over double the rated horse power.
September 21st—Nottingham A.C. Hill Climb. Class A.—12 h.p. Riley. First.
September 28th—M.C.C. Hill Climb at Sharpenhoe. This contest was so arranged as to constitute a most searching test of flexibility, the cars having to be first driven up the hill as fast as possible, and then without any alteration being made to them, they had to climb it as slowly as possible without actually stopping.
Class VIII. 12 h.p. Riley. First, with a difference of 18 minutes 50.4-5 seconds between the times of the two ascents.

Prices from £282.

The Busy Lawyer Tells It to the GRAPHOPHONE

and SAVES 50%

The Business Graphophone is of the greatest value to the Lawyer—especially in the preparation of briefs, when making notes and excerpts from his cases as he finds them. The Graphophone is always at his elbow, ready to take dictation, while the typist is never waiting but always productively employed.

The rapid increase in the number of Business Graphophones among the business and professional houses throughout the country show the thorough appreciation of this valuable system.

If you are a busy man and desire a perfect system of dictation, write for our new booklet, which we will mail you free on receipt of the filled-out coupon below.

Sole Distributing Agents for New Zealand:—**YEREX, BARKER & FINLAY Ltd., WELLINGTON.**
