The PICKERING GOVERNOR

For Stationary and Portable Steam Engines

PICKERING GOVERNORS are the standard. Their world-wide use is due to their acknowledged superiority.

PICKERING GOVERNORS are so constructed that a mechanical movement is obtained without a joint.

For extreme sensitiveness, simplicity, and durability of construction, economy of fuel, the PICKERING cannot be excelled.

Fitted with automatic safety stop speed adjuster and steam metal valves and seats.

EDWARD COLLIE

Furniture . Manufacturer

41 RIDDIFORD ST., NEWTOWN

OUR FURNITURE is noted for its quaintness, durability, artistic designs, and, best of all, its cheapness.

Why pay high prices for ART FURNITURE when we can supply same for less than ordinary prices.
