Write for List to

**COLLINGS & BELL, Launch Builders, PONSONBY, AUCKLAND.**

**Economic Blackstone Kerosene Engines**

These Engines have never been beaten in competition, nor can they be for—

**SIMPLICITY**—Less working parts than most oil Engines.

**RELIABILITY**—No electrical connections; kerosene is always easily obtainable.

**DURABILITY**—These Engines are English made.

**EASE OF OPERATION**—All users are well pleased, because they start easily.

These Engines have good reserve of power and develop their rated power at a low speed; they are therefore a bigger engine for the money than most
