Customs St. W. Auckland

Economic BLACKSTONE

cannot be beaten for
Simplicity
Reliability
Durability
Ease of Operation
and Economy

These engines have a good reserve of power, and develop their rated horse-power at a low speed. They are therefore a bigger engine for the money than most. Can be fitted up for hoisting, pumping, well-driving; largely used for shearing and milking, and because of their simplicity are much appreciated by farmers.

CHRISTCHURCH

Catalogues on application

WELL FIRES.

To ARCHITECTS, CONTRACTORS, and those about to build.

DO NOT BE DECEIVED

By imitations and misrepresentations, insist upon having the only genuine **Well Fire**, manufactured by **The Well Fire Company** (Bowe's Patent). There is no other fire **JUST AS GOOD.**

SPECIAL POINTS TO BE REMEMBERED:

Beautiful effects. Consumes less fuel. Gives off more heat. Requires less cleaning and burns longer without attention than any other fireplace made. Burns coal, coke or wood. No hot or dusty ash boxes to pull out. No iron lining to the air chamber. No bars to obstruct the heat. Prices Moderate.

LARGE STOCK OF FIRES JUST LANDED.
