Our 27th Competition for Architectural Students

We offer a prize of £1 1s. 0d. for the design awarded first place for a

TRAMWAY WAITING PLACE

with Newspaper Stall, &c.

The adjudicators make the following remarks re this competition:—"In selecting this subject we have endeavoured to set your student readers the task of designing, in cheap, durable, and readily obtainable materials, such as would be employed by any City Authority, a very common desideratum for the convenience of the citizen, in such a way that it may be an ornament and not a disfigurement to its surroundings. We venture to think that our City Authorities might pay more attention to the artistic side of their erections and trust that the outcome of this competition may excite the interest of some of your numerous readers in the subject and show them what might be done towards the improvement of their Cities in this direction.

This may also be regarded as an item in the Town Planning movement in which, like yourself, we are deeply interested."

DETAILS OF COMPETITION

The building is supposed to be situated facing on one side a principal thoroughfare with tramway and on the other a public reserve, and is to contain the following accommodation.—
1. About 120 feet run of seating, including a portion facing the reserve to be so arranged that from whichever direction the wind may come some of the seating will be in the shelter.
2. Gentlemen's toilet room containing two w.c.'s., four urinals and one hand basin.
3. Ladies toilet room containing four w.c.'s., two hand basins, towel closet, and space for custodian.
4. "Lock up" newspaper stall, with counter in sheltered position, and so placed that attendant can supply towels etc., to gentlemen's toilet room without leaving his stall.
5. Two telephone cabinets.

Strict attention must be paid to hygienic arrangements of sanitary fittings and the privacy of them. Provision must be made to enable a City Council official to inspect and clean out the plumbing and drainage conveniently at any time.

Competitors are restricted to the following materials, viz.—brickwork, concrete, reinforced concrete, roughcast, plaster, asphalt, slates, roofing and other tiles, jarrah timber, glass, any or all of which may be used, and the necessary plumbing, and finishing materials.

The drawings required are: (1). Ground plan showing drainage; (2). Roof plan. (3). Elevations and sections to fully set out the design. The foregoing to be to 1/4 in. scale. (4). A perspective sketch.

A skeleton specification describing the details of construction and finishings, and an estimate of the probable cost must accompany the design.

Messrs. Atkins & Bacon, Architects of Wellington have kindly consented to adjudicate in this competition.

Designs must be sent in, finished as above, under a non-de-plume, address to PROGRESS, 10 Willis Street, Wellington, and marked clearly "Twenty-seventh Prize Competition" on outside, with a covering letter giving competitor's name and address and employer. Designs to be sent in by November 21st.

Our 28th Competition

We offer a prize of £1 1s. 0d. for the design adjudged to be the best for a

GOLF CLUB HOUSE

to be erected for a club consisting of about 150 members (100 men, and 50 ladies). The site is open, and unrestricted, and the building is to be placed on a slight rise overlooking the links and facing North. The ladies', and mens' apartments, also the caretaker's rooms, are to be kept separate, but of easy access to one another.

Accommodation—MEN'S—One large Tea Room, two Dressing Rooms, one Sitting Room, two Lavatories, two W.C.'s., large Verandah.

LADIES.—One Tea Room, one Dressing Room, one Sitting Room, one Lavatory, two W.C.'s., Verandah.

CARETAKER.—One large Kitchen convenient to both Tea Rooms, large Scullery, one small Sitting Room; three Bedrooms, Bathroom, W.C., large Pantry, Store Room, Larder, Large Workshop, etc.

The building to be two-storeyed, the Ladies', and Men's Sitting Rooms up-stairs, opening on to a common Balcony, and with a Common Room between. The Caretaker's bedrooms etc., also on the first floor. Separate stairs to each. The whole to form one block, but the different portions—Ladies', Mens', and Caretaker's, to be marked, and apparent from the exterior. A low, broad effect is desired, the upper rooms will therefore be better to be partly in the roof. The Balcony need not be covered. The materials to be brick, and rough-cast, with tiled roof. Cost about £1,500.

The sizes of rooms and other details are left to the competitors to decide, and to consider what is necessary for the purposes of the building and the sum allowed.

Drawings to be 1/4-in. to one foot, and to consist of a plan of each floor, three elevations, and one transverse section. To be inked in, and shaded in Sepia, but not coloured.

Mr. Basil Hooper, A.R.I.B.A., of Dunedin, has kindly consented to adjudicate.

Designs must be sent in, finished as above, under a non-de-plume, address to PROGRESS, 10 Willis Street, Wellington, and marked clearly, "Twenty-eighth Prize Competition" on outside, with a covering letter giving competitor's name and address and employer. Designs to be sent in by December 21st.

The Editor reserves the right of publishing any or all the designs submitted, and while every care will be taken of drawings, no responsibility is accepted should any loss or damage be sustained. Those desiring their designs returned must send postage to cover cost of same.

Mention of "Progress" when writing ensures prompt attention
